2024-25

HAMARA
COACHING &
GUIDANCE
CENTRE

SUPPORTED BY ALIGARH EDUCATION ENDOWMENT FUND (AEEF)

Introduction

Hamara Coaching & Guidance Centre, based at Hamara School, Aligarh, has been dedicated to supporting underprivileged students academically over the past several years. The Centre provides free coaching, guidance, and counseling to approximately 100 students, helping them strengthen their academic performance and develop essential life skills.

This initiative aims to ensure that children from economically disadvantaged backgrounds have access to quality after-school education. With funding from AEEF, the Centre is expanding its resources, enhancing teaching facilities, and recruiting skilled instructors to further improve learning outcomes.

Objectives

- Provide free academic coaching to over 100 students.
- Upgrade learning resources, including textbooks, teaching aids, and digital tools.
- Conduct regular workshops on life skills, career guidance, and digital literacy.
- Administer weekly tests for students in classes V to X to prepare them for school assessments and competitive exams.

“

”

Goals

- Deliver high-quality, free coaching for students from economically disadvantaged families.
- Improve academic performance in key subjects such as Mathematics, Science, and English.
- Introduce life skills and career development workshops to equip students for future success.

Key Achievements

Over the years, Hamara Coaching Centre has made notable progress:

- Students have successfully qualified for admission tests at institutions such as Aligarh Muslim University, Jamia Millia Islamia, and other government schools and colleges.
- Academic performance has improved, reflected in higher test scores and better school retention rates.
- Guidance and counseling programs have empowered students with communication, problem-solving, and digital skills.
- Community engagement has strengthened through regular parent-teacher meetings, fostering active participation in students' educational journeys.

Key Quantitative Outcomes:

Competitive & Higher Education Success

Four Students Selected in Aligarh Muslim University (AMU)
Admissions in Class XI and Diploma Engineering Programs
Academic Achievements – Class X Board Results

- 3 Students secured 1st Position
- 1 Student secured 2nd Position
- 2 Students secured 3rd Position

Academic Achievements – Other Classes

- Additional Students scored 80% and above.

Impact Indicators

IMPACT AREA	MEASURABLE OUTCOME
Merit Positions	6 School Rank Holders
Distinction Performance	10 Students scored 80% and above
Higher Education Access	4 Selections in AMU

Social Impact

The beneficiaries supported by the Centre predominantly come from:

- First-generation learner families
- Households with limited formal education
- Financially constrained backgrounds
- Minimal exposure to competitive exam ecosystems

Transformational Outcomes

- Increased academic aspiration and confidence
- Improved parental engagement in education
- Strong motivation among junior students
- Creation of a culture of merit and excellence
- Educational upliftment within the local community
- Better access of education to the second generation of learners.

Programme Strengths

- Structured academic mentoring
- Regular assessments & performance tracking
- Competitive exam preparation support
- Individual counselling and motivation sessions
- Strong gender inclusion and retention.

OUR STUDENTS STORIES

Name: Aleena

Daughter of Mr. Mohd Gufran, who works at a local book shop, belongs to a modest-income family. With focused academic planning and continuous mentoring support from Hamara Coaching & Guidance Centre, she benefited from structured board preparation, regular mock examinations, targeted doubt-clearing sessions, and career guidance counseling.

Her consistent hard work and guided preparation led her to secure **83.5% in the Class X Board Examination, achieving Rank 1 in her class at F.G. Inter College.** Further strengthening her academic journey, she was also **selected for Diploma Engineering**, marking a significant milestone toward her professional future.

Name: Zammarrud

Daughter of Mr. Mohd Asif, a daily wager, comes from an economically vulnerable background. Despite financial challenges, she remained determined to pursue quality education. With focused entrance exam preparation, regular practice tests, time-management training, and personalized mentoring at Hamara Coaching & Guidance Centre, she strengthened her conceptual clarity and exam strategy.

Her dedication and structured preparation led to her **selection in the AMU Class XI Entrance Examination (Commerce)** – a significant academic milestone.

Name: Ayeza Khan

Daughter of Mr. Mohd Shariq Khan, who is self-employed, demonstrated remarkable dedication and academic discipline throughout the year. With structured board preparation, regular assessments, performance tracking, and continuous mentoring at Hamara Coaching & Guidance Centre, she strengthened her subject clarity and exam readiness.

Her consistent hard work and guided learning resulted in an impressive **87% in the Class X Board Examination, securing Rank 1 in her class at Tameer-e-Millat Islamia Inter College, Dodhpur, Aligarh.**

OUR STUDENTS STORIES

Name: Alina

Daughter of Mr. Mohd Shafi, a welder, comes from a modest economic background. Despite financial constraints, she remained focused and committed to her education. With continuous academic support, structured coaching, and regular mentoring from Hamara Coaching & Guidance Centre, she strengthened her fundamentals and built strong exam confidence.

Her dedication and guided preparation resulted in an outstanding **84% in the Class X Board Examination, securing Rank 1 in her class at Sir Syed High School.**

Name: Suhana

Daughter of Mr. Noor Islam, a daily wage labourer, belongs to an economically weaker family. At Hamara Coaching & Guidance Centre, she benefited from small-group learning, concept-based teaching methods, regular revision cycles, and monthly parent feedback meetings. Special focus was given to strengthening her weak areas through targeted worksheets and mock tests.

With disciplined effort and systematic guidance, she achieved **95.4% in the Class VII Examination, securing Rank 1 in her class at Vineet High School.**

Name: Amreen

Her consistent effort and guided preparation resulted in an impressive **86.7% in the Class VII Examination, securing Rank 1 in her class at Tameer-e-Millat Islamia Inter College, Dodhpur, Aligarh**
